

Assistant Pesticide Applicator

Join Our Award-Winning Team at Nature's Reflections Landscaping Ltd. – Assistant Pesticide Applicator

 Now in Our 21st Year of Excellence in Landscaping

For over two decades, Nature's Reflections Landscaping Ltd. has been a leader in the landscaping industry, delivering award-winning services to residential and commercial clients. As we enter our 21st year of business, we continue to grow and are seeking a motivated **Assistant Pesticide Applicator** to join our lawn care team.

This position is ideal for someone interested in developing a career in professional lawn care and pest management. The successful candidate will work under the supervision of a certified pesticide applicator, assisting with product preparation, application and lawn care services while gaining valuable industry experience

Why Work with Us?

Stability & Growth

We offer full-time hours (45+ per week) through the Spring, Summer, and Fall seasons, with mandatory winter work including snow removal and other seasonal work.

Competitive Pay

Earn \$18.00 – \$30.00 per hour, with wages negotiable based on experience.

Health & Wellness Benefits

Enjoy comprehensive health and dental benefits, along with a company pension plan to help secure your future.

Professional Gear

Receive company-provided clothing and participate in a boot allowance program to keep you looking safe and professional while you work.

Training & Skill Development

We are willing to train and invest in your development, helping you build valuable skills and advance within the company.

Team Environment

Work alongside experienced professionals in a positive, team-oriented environment focused on quality workmanship and professionalism.

Your Role

- Assist a certified pesticide applicator with the preparation and application of lawn care products including fertilizers, biological insecticides and permitted pest control products.
- Operate, maintain and clean application equipment and tools.
- Assist with lawn care services such as aeration, overseeding and soil improvement treatments.
- Maintain accurate service records and application documentation.
- Follow all provincial pesticide regulations and product label requirements.
- Ensure proper use of personal protective equipment (PPE) and safe handling procedures.
- Maintain a clean, organized and safe work environment.

Requirements

- Strong interest in turf health, lawn care and plant health.
- Ability to recognize potential lawn problems such as disease, pests, nutrient deficiencies and environmental stress.
- Ability to work outdoors in varying weather conditions.
- Ability to perform physical outdoor work for extended periods and lift up to 50 lbs.
- Valid driver's license, clean driving record and reliable transportation.
- Strong attention to detail and pride in quality workmanship.
- Commitment to workplace safety and environmental responsibility.
- Ability to work closely with a certified pesticide applicator and follow detailed instructions.

Additional Requirements

- Criminal record check, child abuse registry check and driver abstract will be required.
- Ability to safely handle and work around regulated pest control products.

Experience or Skills That Would Be Considered an Asset

- Previous experience in lawn care, landscaping, horticulture or turf maintenance.
- Pesticide Applicator Certification or willingness to obtain certification.
- Knowledge of common turf grasses, weeds and lawn diseases.

Your Future Starts Here

Join Nature's Reflections Landscaping Ltd. and grow your career with a company that values professional development, safety and high-quality service.

Ready to get started? We look forward to hearing from you.
